BILIOUS CHILDREN

Black-Draught, Long in Successful Use, Praised by an Arkansas Mother, "Soon Does Its Work."

Marmaduke, Ark.—Speaking of Theodor's Black-Draught, which from long use in her household has become regarded as "the family medicine," Mrs. Mary E. Hill, of Route 1, this place, says:

"When the children get bilious, I give them a couple of good doses, and when we have sour stomach, headache, or any liver or stomach trouble, we use Black-Draught. It is an easy laxative, and soon does the work. I certainly think it is one of the best remedies made."

Black-Draught acts on the liver, gently, but positively, and helps it in its important function of throwing out waste materials and poisons from the system.

In thousands of households Black-Draught is kept handy for immediate use in time of need. Prompt treatment often is half the battle, and will often prevent slight ills from developing into serious troubles.

Its well-established merit, during more than 70 years of successful use, should convince you of the helpful effects obtainable by taking Black-Draught for liver and stomach disorders. Get a package today, and keep it in your house. See that the package bears the words, "Theodor's Black-Draught." NC-141

TRACK CANDIDATES
SHOWING UP WELL

Old Men Going Well and Many New Ones Give Promise to Put Up Hard Fight for Places.

The end of the first week of track work reveals another championship team in the making. The 1922 team has as its nucleus Captain "Long John" Thompson, George Perciful, Buell Lipe, Henry Goodloe, J. H. Stroud, and Bill Warren, all letter men except Warren and he lacked only one point last year.

A squad of thirty men is reporting each afternoon, and each man is fast getting into shape for the track meet between the Franklin and Harlan Literary Societies, to be held at the Home Coming on April 1. According to the best information available this inter-society meet promises to be as closely contested as the two preceding ones. The Harlans have lost Ebberth and Newton while the Franklins have lost Mason, "Frog" Lipe and Herring.

John Thompson will again devote his time to the field events with the possible exception of the high hurdles. Lipe and Perciful will assist him in the former. Lipe, Bowen, Wilson and Perciful are showing up well in the dashes and Huddleston, the an inexperienced man, promises to be a real find, with his unlimited quantity of speed. The season has not been opened long enough to select any certain distance men except Warren, last year's miller, but Coach Jimmie has a wealth of material from which to pick. The half-mile seems to be the hottest contested event with Hart, Sage, Goodloe, Patrick and Haco Boyd all running neck and neck.

There comes a rumor from the campus of the Razorbacks that they have already sworn vengeance against the Bull Dogs of 1922 for the crushing defeat of last year. It is well for the team of 1922 to remember that the Razorbacks last year suffered a score of 36 to 93 and that

they are planning a come-back for the latter part of April or the first of May.

Then on May 8 and 9 our friends down on the Ouachita are planning to give us a warm welcome. We will not attempt to explain everything that "warm welcome" could mean, but will leave it for some one else to explain, perhaps by concrete example. A new track and a grandstand with a seating capacity of 3,000 are being made for the first track meet held under the auspices of the new athletic association and well be there to be seen.

Tired Out?

Do you know that languidness, that "awful tired feeling," heaviness, lame or weak back, sore muscles, stiff or swollen joints, rheumatic pains, lumbago, in the great majority of cases, indicate kidney trouble?

Foley Kidney Pills

act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to a healthy condition.

Mrs. Robert Blair, 461 S. 20th Street, Terre Haute, Ind., writes: "I suffered two years with kidney and bladder trouble frequently getting backache. Mornings I would arise feeling very tired and having headaches, and see floating specks before my eyes. I saw Foley Kidney Pills advertised and made up my mind to try them. After taking them a few weeks I found my trouble dispelled. The backache stopped and my kidneys were restored to healthy, normal action. I am also free of those tired spells and headaches and my vision is no longer blurred. My recovery is entirely due to Foley Kidney Pills, which I gladly recommend."
